Trish and Mike

I have spoken to Commissioner Carrique (OPP), Chief MacSween (YRPS), Chief Rollauer (DRPS) and Chief Williams (LPS) – all approved the requested public order sections.

Note that Commissioner Carrique said he send us everything he could muster but could not guarantee the full 2 sections.

I will await your decision on TPS.

Deputy,

I was just advised that OPP can muster 1 team. Toronto advised us they would be able to support us.

Respectfully
Stolly

Good Afternoon Chief,
As per our quick conversation we would ask that the following services are asked to provide support to this weekend's demonstration with the request of their ESU/Public Order Units:
Ontario Provincial Police (possibility of 2 teams)
London Police Service
Durham Police Service
York Regional Police Service
Once requested, our ESU members will follow up with their counterparts to make requisite arrangements.
We see this as the best course of action to ensure we have appropriate resources commensurate to the expected crowd surge.
Thank you very much,
Trish

Deputy,

If we wait till the morning it will take those teams 24hrs plus to arrive which means they may have trouble getting here on the highways with the convoy. Also, having them staged well in advance is much easier to manage.

If the trigger is going to get pulled for POU support sooner is much more advantageous because we are talking about a major event now.

Respectfully,

Stolly

DC Ferguson,

The request to have York, Durham, London and Toronto Police POU Teams needs to come from the Chief. Can you please ask him to ask the other Chiefs. We have these teams in stand-by but they are waiting for the official word.
